Huw discusses finances, increasing outgoings being top on the agenda with also a decrease in outgoings. Ideas to combat this suggested were an increase in membership fees, rejoining fee upfront, and the possibility of sponsorship.

Fees from EKA and SWKA, league fees and hall hire all impacting on increasing outgoings, possible to increase monthly subscription by just £5 would put the club back in profit. A vote was taking and carried for this to happen. Also session price raised from £4 to £5 was voted and carried.

Other changes carried were in the change of constitution , selection committee and a change of the financial year.
